

DID YOU KNOW?

2005

1. HealthVisions East St. Louis (HVESL) dedicated their new office on June 13, 2005. They began their ministry of “Faith in Action to Serve and Transform” a ministry that provided nonmedical services to seniors and the homebound. They dedicated their conference room to Sr. Peter Altgilbers. Mayor Carl Officer presented a proclamation in honor of the service of Sr. Peter to the people of East St. Louis
2. Since 2003 The Maternal Child Health Network served over 725 women helping them receive the health care they needed along with additional social services.
3. Eleven local churches in East St Louis are collaborating with us in the new ministry of serving the elderly.
4. HealthVisions Fort Wayne (HVFW) moved to anew office space in the Urban League building. The building is located in the heart of the inner city. This location is close to the people we serve.
5. The conference room of the new HVFW building was dedicated to Sr. Loretta Schleper for her leadership and service to the poor and underserved community of Fort Wayne.
